JULY PROGRAM

This month's program will be presented by our own vice president, Vicki Rozema. Vicki shoots mostly nature and wildlife photography and has won honors in local and national competitions for her work. She will present 26 images from her recent trip to Washington state with tips on equipment, and where, when and how they were taken. Subjects will include everything from volcanoes to wildlife.

WELCOME NEW MEMBERS

Welcome new members John and Bunni Rollins, Rebecca Bass, Jerry Pirtle, and Gaines Hobbs. We are happy you have decided to join us and hope that you will participate in all our club activities!

REFRESHMENTS

Thanks to Bob Davis and Laverne Elder for bringing refreshments to the June meeting. Refreshments for the July meeting will be brought by Bob DeBeer. Please volunteer at the meeting to bring refreshments for future meetings.

PRESIDENT TO WED!

John Brooks and Sylvia McDaniel will be married on Saturday, August 3 at 4 PM at Brainerd United Methodist Church. Club members are cordially invited to attend the ceremony and the reception afterward.

PHOTO FLEA MARKET BIG SUCCESS!

The Sixth Annual PSC Photo Flea Market was held Saturday, June 8 at the Ramada Inn 23rd Street. It was a big success, generating about \$950 profit for the club. There were 36 dealer tables set up and about 200 people attended. The dealers seemed pleased for the most part with the show. Most of the credit for the success of this show goes to Bob DeBeer, who made arrangements with the hotel, printed the flyers, placed advertising, and contacted the dealers. Thank you Bob for a great job! Thanks also to Tom Cory for help with advertising, to John Brooks for helping set up the room, and to Bob Davis, Ed Richards, Ed Bowen, and Darryl Hubbard for staffing the gate. Great job! Thanks also to all of you who helped by spreading the word.

CLUB WORKSHOP-JUNE 29

The Photographic Society of Chattanooga presented a photographic workshop on June 29. The workshop was taught by Bill Lee (Tim Black was unable to come) at the Chatta. Nature Center. Twenty four people attended, a full class and an excellent response to the club's first activity of this type. Everyone learned something and the event was enjoyable as well. Thanks to Tom Cory for planning the event and to Janis Dintsch for arranging the location and printing the flyers. We will plan to hold another workshop next spring.

ATTENTION VISITORS!

This is an excellent time for visitors to sign up as new members in order not to miss any of the club activities. Dues are \$17.50 per year (\$20 for couple, \$10 for student). If you sign up now with the full yearly dues you will be paid up through August 1992!

MEMBER'S CORNER

Ray Zimmerman has several photographs on display at the Clay Shop and Outlook Gallery in St. Elmo (St. Elmo Avenue).

Harold Stinnet and Vicki Rozema have had photos published in the July/August issue of Blue Ridge Country magazine.

Vicki will exhibit at the artists river walk sponsored by AVA Saturday and Sunday July 20 and 21. The location of this event is the Riverpark on Amnicola highway.

ANNUAL PRINT AND SLIDE COMPETITION

Plan now to enter the PSC members only print and slide competition to be held late in the year. Rules will be published in a future newsletter, but for now you need to think about selecting which shots you want to enter, and plan ahead on things like getting good prints made and getting prints mounted and matted. All entries will be turned in by the November regular club meeting, and results will be presented at the December banquet. Tom Cory is in charge of the competition and Janis Dintsch is in charge of the banquet (to be held at the Country Place Restaurant on Shallowford Road). Our goal is to have at least one entry from each member.

NEWS NEEDED!

We always need news for our members corner. Also members may take advantage of our "sale" column. News about events of general interest is also needed as well as feature articles and "hints and tips."
